

GUIDE TO STONE FLOORING

Earth Wood & Stone offer a range of **STONE FLOORING** from around the world used for floors, walls, bathrooms and kitchens. The principal ranges are;

Travertine

The classic Mediterranean stone sourced from quarries in Italy, Spain and Turkey. Available in Honed, Polished, Filled, Unfilled, Tumbled and Antiqued. Sizes are from 100mm x 100mm to 900mm x 600mm. Colours that range from pale straw to dark chocolate gives a huge range of choice.

Limestone

Dense, compact stone giving a fine, clean look for both modern and traditional installations. Available in a range of colours from White through Grey to Cream.

Jerusalem Stone

A richly marked stone with fossils throughout giving great interest and character for every location. Subtle pastel shades add to its charm and versatility.

Marble

Available in a huge range of colours from the Deepest Red to Brightest Blue, sizes and finishes. The most widely used stone for every application internally and externally. Particularly desirable for wall covering where its density and range, adds huge value to the smallest location.

Slate

From Brazil, Peru, China and India the range, size and colours available add wonderful drama to every floor and wall. Easy to live with, it requires little maintenance and care but rewards with a floor that is for life. Available in very large sizes up to 1.2m x 1.2m.

Sandstone

A riven, highly characterful stone suitable for inside and outside use. Fossils perfectly enhance the warm subtle colours to provide the ideal surface in conservatories, gardens and anywhere there is plant life.

Terracotta Pamments and Tiles

Earth Wood and Stone keeps a large range of Terracotta flooring produced from naturally available clays of colours reflecting their countries of origin. Warm Pinks and Reds from Spain, Earthy Hues from Mexico and Antique Hues from Italy, create floors that are perfectly suited to the British love of pamment floors. The sealing system that **Earth Wood and Stone** provides, means an easy-care finish that improves as the patina ages.

In addition to tile sizes from 15mm to 1500mm, we stock a wide range of trims, mouldings, mosaics, panels etc., all made by hand at the source.

Complimentary products include shower trays, hand basins, worktops, sinks and troughs all hand made from the finest quality dense materials.

Using **the Earth Wood and Stone** range a unique, breathtaking interior can be created in every domestic and commercial location. Our staff are passionate about Natural Material and we are at your service to guide you through the exciting, and at times, bewildering ranges!
